Additional Information

13. Upload Resume/CV

14. Cover Letter

15. Current Address

Buttons

16. Submit Button

17. Reset Button

Requirements

Use the following HTML tags properly:

- form
- input
- label
- select
- option
- textarea
- fieldset
- legend

- button

Use appropriate input types.

Bonus Challenge (Optional)

Add the following HTML features:

1. Required fields using the required attribute.
2. Method should be mentioned in the form tag.
3. Placeholder text for input fields.
4. Default selected job position.
5. Maximum cover letter length of 300 characters.
6. Use fieldset and legend to organize the form professionally.

Submission Requirements

File Name: job_application.html

Use only HTML.

No CSS and JavaScript.

The form must be properly organized and user-friendly.

Commit to your GitHub. (Show before leaving. Before 3 pm Deadline).
